

REMARKS

This Amendment under 37 C.F.R. § 1.312 is being submitted to correct a miscommunication regarding the canceling of claim 41. Claim 41 was canceled in an Examiner's Amendment dated October 4, 2010. Applicant's intention was to amend claim 41 so that it was dependent on claim 38. In this Amendment under 37 C.F.R. § 1.312, Applicant is simply adding new claim 64 to do that. Examiner Kramer, in a discussion with the undersigned during the week of October 11, 2010, indicated that adding a new claim reciting the subject matter of cancelled claim 41, but dependent on claim 38, would be acceptable.

The Examiner is respectfully requested to contact the undersigned by telephone if any comments, questions, or suggestions arise in connection with the present amendment.

It is believed that no fee is due in conjunction with this Amendment. However, please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 50-0206, and please credit any excess fees to the same deposit account.

Respectfully submitted,
